Capabilities Statement

5 Alarm Logistics, LLC. is one of the few coin manufacturers in the United States, home based in NC with manufacturing facility in Florida. We seek to create premium quality products that clients will appreciate for years to come. The 5A vision is to boost overall morale whether it be in the workplace, organization, or on an individual basis. We realize that each person is working towards a goal and we want to help provide you with the mindset to be successful. Morale is key to success.

5 Alarm Logistics, LLC. provides premium quality challenge coins, lapel pins, badges, patches, lanyards, as well as other morale boosting and promotional products. Together with our level of expertise in graphic design as well as manufacturing we can provide personalized product that best suits our clients' needs. Our top priority is the client and providing top notch customer service to supply you with products that you will enjoy for years to come.

5 Alarm Logistics seeks to create and promote high quality morale boosting products. We strive to grow our business with the same honesty and integrity that we use to craft our products for our customers.
